Price list "lifelong, artistic portraits"

These lifelong, artistic portraits are detached from my summer action 2018.

Shootings take place by appointment once or twice a year. The really very special and unique at this lifelong shoot is that I now charge one price, which includes a lifetime of artistic portraits once or twice a year! ! This is not about snapshots, but about well-kept ,artistic portrait shootings on location in Basel city. Places between Zell i.W. (D) and Basel are possible without extra charge. Other places on request. Prices in Germany are in €
