Price list "artistic portraits" in summer 2018

In the summer of 2018 the shootings incl. one extra depending on the location will be held in Basel-St. Johann thanks to friendly cooperation in the following places

Café Bar Rosenkranz	I I	Saint-Louis-Buvette
PERRON im Stellwerk	I I	Volta Bräu

afternoon to evening. The special thing about this shoot is that I accept bookings as early as 30 minutes, contrary to my minimum booking period of 60 minutes otherwise. This is not about snapshots, but about well-kept artistic portrait shootings on location. The extra depending on the location can e.g. be café & cake, a beer & chips or two drinks. Places between Zell i.W. (D) and Basel are possible without extra charge. Other places on request. Prices in Germany are in €

Only by appointment shootings can be booked and is payable on the spot:

S: 5 top pictures with 30 min Shooting 100 CHF 1 to 2 persons
M: 10 top pictures with 60 min Shooting 180 CHF - 1 to 2 persons

I guarantee five (or 10) top pictures each. If there are more than the guaranteed top pictures, these image data can be purchased for CHF 15 each.

A shoot takes about 30 minutes. Experience has shown that once a change of clothes is possible. For an extra charge, longer shootings are possible. As soon as possible I will provide the image data digitally in medium resolution for selection and in high resolution for private use. On request, I like to make high-quality prints that will be charged separately at cost price.
